

# Cohesion, Inc. Announces Its Participation in SAP® EcoHub

*SAP EcoHub Solution Marketplace Delivers Added Value to Customers by Accelerating Discovery, Evaluation and Purchase of Trusted Partner Solutions – Such as Cohesion Mobile – That Complement SAP Offerings*

**Belmont, Calif. – Jan. 18, 2011** – Cohesion, Inc., a leader in mobile solutions, today announced its participation in the SAP® EcoHub solution marketplace. This community-powered marketplace makes it easier for customers to discover, evaluate and purchase partner solutions – such as Cohesion Mobile – that complement SAP applications.

SAP EcoHub provides customers access to complementary solutions and offerings that work best for their installation of SAP solutions. It leverages SAP's comprehensive ecosystem, where customers and partners can connect. The SAP EcoHub integrates community input, user feedback, ratings and partner demos, enabling a more educated and intelligent selection of solutions.

Cohesion Mobile for use with SAP solutions is listed at <http://ecohub.sdn.sap.com/irj/ecohub/solutions/CohesionMobile>. Resources available for download from the SAP EcoHub site include the complete Cohesion Mobile software for use with the SAP ERP application, including five free user licenses. Additional user licenses sell for just \$50 USD each. Customers interested in Cohesion Mobile can view a video demo of the product or contact Cohesion for more information.

“As an SAP channel partner and established independent software vendor offering solutions in support of SAP offerings, Cohesion has made serving the needs of customers using SAP solutions a top priority,” said Tom O’Gorman, CEO, Cohesion. “Cohesion Mobile software allows customers to leverage their investments in SAP solutions with new features, such as mobile access. And through participation in SAP EcoHub, we can expand our reach to SAP customers looking for complementary solutions such as ours.”

Cohesion Mobile offers customers' access to SAP ERP from smart phones, including the Apple iPhone®. Customers using Cohesion Mobile in conjunction with SAP solutions can reduce training costs and improve the efficiency of their businesses.

SAP EcoHub is live at <http://ecohub.sap.com>. Visitors can search for solutions in many ways, including industry or solution, key words, relevance or partner. Solutions can be evaluated online based on feedback from other users, partners and business experts. Visitors can view an online demo on SAP EcoHub or request more information by requesting to be contacted, and initiate the purchase of the solution.
